Annual Place Plan Review Return

1. The information contained within the Place Plan for our area is correct (please tick)

2. Our Infrastructure priorities have changed

Details of new Infrastructure priorities/additional information on Infrastructure projects

<i>Critical</i>	This Parish is still awaiting and needs improved Broadband coverage
<i>Priority</i>	The Parish has no other priorities.
<i>Key</i>	<i>This parish fails to understand why Shropshire Council alleges on its Place Plan documentation that the parish needs outdoor sports facilities, recreational facilities for children and allotments. The Parish neither needs nor wants such infrastructure.</i>

Please tell us of any completed projects

	The Parish Council has never listed any projects in its Place Plan Reviews.
